COMOR-D-24 //

4 November 1960

MEMORANDUM FOR: COMOR

SUBJECT: Handling of Cuban Photography

25X1

25X1

1. General Cabell approved the following amendment to [ ] entitled "Handling of Cuban Photography" as follows: Significant and a limited number of items of information taken from TALENT [ ] photography may be released SECRET NOFORN initially through T channels to essential military field units. The TALENT control officers in those units will be informed that there is to be no attribution to the TALENT source. In the event inquiry is made as to source the TALENT control officer will state that he will look into the matter and will inform CIA [ ] of the inquiry. CIA will be responsible for providing necessary cover stories.

25X1

2. On the basis of the first preliminary report COMOR representatives will meet with [ ] to sort out the information that needs to be handled as above. This initial procedure (that is for determining what may be released) may be relaxed by the COMOR after this experience depending on our findings.

MEMORANDUM FOR: COMOR

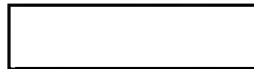

SUBJECT:

Document Handling -

25X1

REFERENCE:

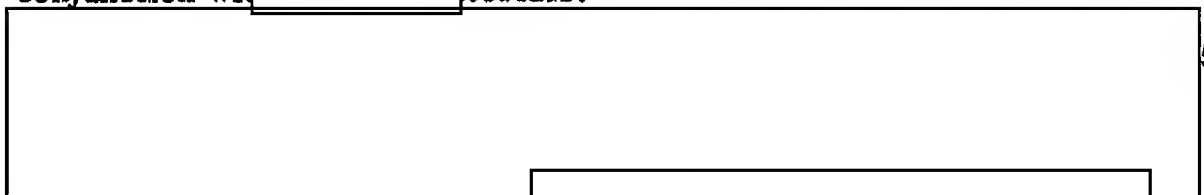

25X1

1. All documents, reports or materials containing either substantive information derived from TALENT photography on Cuba or non-substantive information, such as administration, security, and matters relating to the operation of the control system will bear the codeword [redacted] This is necessary since no further compartmentation of the TALENT Control System was authorized to handle non-substantive materials.

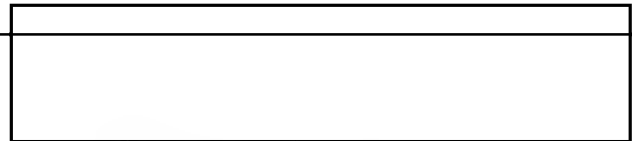

25X1

2. Attached is a copy of the new coversheet to be used in conjunction with [redacted] materials.
